Amy,

For some reason, your contact information is not in either of my phones. I know I once had it in there and am unsure what happened. Please give me a good number to call you on and please let me know what time is okay to call you in the morning. I am generally available any time after 6:00 am.

Thank you,

Jed Bowman, Ph.D.

Dr. Kriekard,

Sorry I missed you this morning. I'm working in the west valley office today. Based on your request, I have reached out to the Scottsdale Progress to offer Wayne, the Editor, an "exclusive" story including a tour. His newspaper is the one that has the wider coverage in the southern part of our district so that is why I chose this outlet. If he agrees, I'll get it set up with Alexis. If he passes on the opportunity, I'll pitch it to the Independent. Just making sure you knew this was in progress.

Thank you,
Amy Bolton

Wayne,

Our Governing Board expressed interest in seeing some local media coverage of the fact that we have a Traditional School in the southern part of our District- Pima Traditional School at 8330 E. Osborn Road. Of course I'm sure you remember how this school was officially dedicated on 2/14 after undergoing a rebuild. Would you be interested in a customized tour with the Principal and maybe talking to a few parents? Our traditional school model is wildly popular in the northern part of the District at Cheyenne - which seems to

always have a waiting list, so we are very excited as a District to have this second option for parents. Let me know and I'd be happy to set it up.

Thank you,
Amy Bolton

Amy,

I think we're all good.
Yikes. I keep thinking it's Thursday.

Have you heard from Shannon yet this morning? Nothing from Shannon. I did some, not all, of the trust info from Tyler for that web page Patty Beckman wants. I can't create it until I have the missing info so if anyone asks – that is why. She was supposed to provide an explanation of the trust vs the trust.

Once she approves the two finance-related releases, I'll need to take those to Dr. K., hopefully with more success! ☺ I talked to Dr K this morning and he said he is working from home today so maybe we can get him to ok the DRAFTS today???? I just want to make sure he sees them before they go even if we slightly change the grammar/punctuation. Can you show him those 2 drafts today?

And then you'll have to tell me what you've decided in terms of which one goes out when. ☺ The legal stuff has been going back and forth all day and I don't think we have a finalized time yet. Still looks like it will be today. I'd LOVE to send that credit rating one today if we can or first thing tomorrow. We need to make sure the budget one is 100% approved by finance. Preferably Friday or Monday. I don't want that one to age any more.

That's a great idea, and we plan to get into that in a few weeks when we do a follow-up story. Jen W. is all on board with it and has been a great help already!
Thank you!

I just read it, waiting for Jeff. The only piece I was going to suggest is a mention of the IB coach we hired for Anasazi. Marianne McMurrin (sp.) was the Principal at Tempe's MYP school.
